The
water
begins
at an unknown
source,
off in the
distance
we hear too near
faint echoes of
the future years
Too soon we branch off into a different course
we look back
to our past
channel
for a moment to
remember its unity
But the future
is our main goal
and changes are
passing infinity

Ribbons and buttons
and book flattened flowers
Crayons and dress-up
from last Saturday showers
Treasures and toys
that lasted awhile
Each bearing memories
now sit in their pile.
Time to sort out, save space,
it's Spring cleaning
Only the one's with
most meaning.
Dwelling and smiling soon
the day turns to black
The cleaning hours lost
everything's gently placed
back. The memories too gentle
Treasures too dear
I close the door behind me
. . . Maybe next year.

Stars
A vestige of light pierces the dawn,
It moves slightly through the air,
As time advances and thoughts move on,
The light changes beyond compare.

Emotions move with th'inconsistent stars,
And as we age, the constellations change,
Our paths may vary and may leave many scars,
But our goals we dream, like stars, only
seem out of range.

Follow The Leaders

We may have been immature little juniors back in May 1981, but we elected four of the best people in our class to lead us through our senior year at WNHS. With the guidance of Mr. Paul Fuller, our advisor extraordinaire, Renée, Kim, Julie, and Kevin have coordinated fund raisers (everything from sending a flower to selling candy bars), organized our class activities, and represented our school at numerous outside functions. Renée was chosen student Governor of Massachusetts. On April 2, 1982 she addressed the state legislature and exercised the privilege of passing or vetoing selected state bills.

For those of us who didn't have time for breakfast at home, we could always grab donuts and coffee in the cafeteria.

Riding or walking to school, we still have to be there by 8:15.

"Wanna buy a candy bar?"

Often this year, we were surprised that, despite our attempts to find contempt for a subject, we enjoyed it. Our Teachers created the positive atmosphere in the school through their rapport with the students. They shared their views with students on a one to one basis, providing a learning experience for all.

"I don't trust them."

Our Junior Prom was a night to remember. We danced to the live music of "Sky Island." The dress was informal as well as the atmosphere. Spirits were high, and everyone enjoyed themselves dancing, socializing, and just kidding around.

Senior year! Ah yes — that long awaited year. Along with becoming seniors and savoring the last of our fun-filled, carefree adolescent times, comes the need for making mature and competent decisions. Questions such as "Do I want to go to college?" and "What do I want out of life?" must be answered. Even if we do not know the answers to these questions yet, we must acknowledge that these situations exist. Every graduating senior must ask himself "How will I meet the future?". Some of us will welcome it with open arms while others will sit back and let it happen. The biggest conquest we will make is accepting change.

The world is constantly changing; the seasons, the heavens, and people. We change with each passing day. Consciously we change in order to meet the goals we set, but unconsciously our environment and the values of society shape us, and we become their products. We in turn change these values as we progress into the future; hence creating a perpetual cycle.

The middleman of America must accept the problems of the future such as nuclear power, inflation and genetic exploitation. The person who wants a college education, a well paying job, and a family must meet a terrific challenge to insure that the American ideal does not vanish with these highly technical times. We should welcome change, but we should also maintain and reach our goals.

As seniors we have learned to deal with change. We entered Weymouth North as naive teenagers not knowing quite what to expect. We established new friendships, accepted the challenge of academics, and grew with one another through athletics and extra curricula activities. Now, we emerge from high school as mature young people able to confront our problems through the expertise and knowledge we have obtained from our peers and teachers. Using these tools we confront the future and accept change. We will be prepared to reach our goals and live the American Dream. The real issue is not what the future holds for us but how we hold the future.

GIRLS SOCCER

For the third straight year, the girls soccer team proved that they are a talented, hard-working club by qualifying for a spot in the Eastern Massachusetts Soccer Tournament. Finishing third in the Suburban League with a record of 12-3-3 allowed the team to go on to post season play.

Their success was due in part to the dedicated leadership of co-captains Debbie Deady and Sheila MacAleese and the direction of Coach Hayes. Many players achieved personal success by being named to the Suburban League All-Star team and the Patriot Ledger team. Those named to the Suburban League team were Deb Deady, Dawn Derbes, Sheila MacAleese, and Amy Jackson. Sheila and Amy were also named to the Patriot Ledger All-Stars.

North's Boys Soccer team had an unusual year in the Suburban League. The squad set a school record for ties with a 3-7-8 season. Senior goalies, Glenn Raeside and Dave Robison, shared duties in net, while Suburban League all-star, George Player, secured the defense along with Jim Emmett. Juniors Dave Johnson and Bill Johnson controlled the mid-field as seniors Tom Leahy, Jim Flynn, and Tom Kral led the attack on offense with all-stars Scott Fowler and Bill Loud.

Coach Pacini expects success in the future as the team transfers to the Old Colony League next year with ten players returning to the varsity.

Football

The 1981 football team was lead by co-captains Chuck Dwyer and Lance Lambros. These men were outstanding leaders throughout the season. A very demanding schedule tested our talents. Tom Tanner, Kevin Stevens, Tom Burke, and Peter Kane provided the squad with the enthusiasm that is so necessary to a team. The team's future looks promising. With the strong underclassmen talent, we look forward to a good season next year.

HURRAH! WE BEAT SOUTH!!

Although we won only one game, our football team did have its good side.

Also, playing key roles for North were juniors Dan O'Reilly and Jim Roche, and freshman Pat Fitzgerald.

For the girls, freshman Laurie Leonard consistently finished first for North. Captain Linda Petterson came on strong the latter half of the season, setting an example for all to follow. Prospects look even better for next year, as underclassmen Maureen Tracy, Ginger Rober, and Kelly MacMillan will all return and no runners will be lost to graduation.

Post season honors were received by Rich Austin and Laurie Leonard, who were voted to the Patriot Ledger All-Scholastic Team.

GIRLS WINTER TRACK

The girls winter track team posted a 1-7 record this season. This, however, is by no means an indication of the type of team they were. With the unity and determination that marked this years team, coupled with the fact that only two members will graduate, the track team will excel for sure next year.

First Row: Andrea Correnti, Diana Sewell, Kathy Clougherty, Joyce Roussell (Capt.), Debbie Longhi (Capt.), Sue Yalowchuk, Dawn Lunde. The Boys Gymnastics team displayed great athletic ability this year as they placed second in their league. Due to a single heart breaking loss to Quincy by a tenth of a point, the Boys were denied their third consecutive League championship.

Co-Captain Steve Gustafson established himself as one of the best gymnasts in the state by breaking almost every existing record. Gustafson scored a 50 point performance in a satisfying victory over Braintree. Another record setter was Dave Pepe on the rings. This well rounded team headed for the state tournament with Co-captain Joe Correnti and Jim Emmett on the horse; Jim Bagley on the parallel bars and floor exercises; Victor Alosi on the high bar; and Tom Clark and Mike Mathewson on the floor exercises and vault. The boys are hoping to place in the top three in the state tourney this year.

Softball

Under the direction of Coach Marcie Arnold, this year the team enjoyed a productive season. The reason for its success can be credited to the leadership displayed by the seniors and the players' ability to work well on both offense and defense. With the consistant pitching of hurler Kathy Boben added to the hitting and running talents of Sue Martell and Julie Bean, the maroons always posed a threat to their opponents.

Each year North's softball program has grown and improved to become a respectable team. In the future the varsity will get a boost from the underclassmen who displayed enthusiasm and improvement in their skills.

CATCH * CRADLE * CRUNCH

1981 was another winning season for the North lacrosse club. Under the able leadership of Coach Manzelli the large enthusiastic squad had a record of nine wins and five losses.

John Donovan was one of the most dependable and solid all round midfielders in the league last season. In 1982 he will dominate the play with his excellent skills and comprehension of the game. John Reddish led the attack with good stick handling while Mike Wyman gave the team strong defensive support. Goaltending is the most difficult position to play in a lacrosse game, but as a sophomore "Nipper" Donovan did an excellent job in the goal last year. This season with more experience under his belt "Nipper" will be one of the finest goalies in the league.

Lacrosse fans look forward to the 1982 season. Assistant Coach Wyman has many promising JV players to continue the Maroon's winning ways.

The 1982 yearbook staff got off to a late start, for as October came, we were still in need of advisors. Mrs. Gabriel and Mrs. Wight both did an excellent job on short notice. The staff pulled together to produce what we hope is a book that captures both the spirit and essence of W.N.H.S.

A yearbook is much more than a collection of names and faces. Rather, it is a reflection of the class as a whole and the year in which it was made. North Star '82 will serve as a reminder of our years at North and, more importantly, of the friends we will keep forever.

IS YOUR INSURANCE MAN A SECRET AGENT?

You know what we mean. A guy you hardly know. A guy who works for a cold, impersonal outfit in some faraway city.

How could you know him? He doesn't have time to visit his clients (which is rather mysterious considering he never seems to be in his office when you have a claim). That's a secret agent.

But when your agent is one of the Big "I" Guys, you do know him and he knows you. Because instead of bieng "like a good neighbor," he is your neighbor-living and working right in our town.

He doesn't work for a company. He works for you. He helps you choose the right policy from the right company at the right price. And he's always available with answers, advice and service on your claims.

So if you're tired of doing business with a secret agent, get to know the Big "I" Guys at your local Independent Insurance Agency.
